

# COMPONENT PROTECTION CERTIFICATE

## LIMITED GEARBOX WARRANTY

This certificate verifies that the **Internal Gearbox Assembly** of your equipment is protected by our 24-month extended component warranty. This coverage is strictly limited to the gearbox unit and its internal moving parts.

### SPECIFIC COVERAGE: GEARBOX UNIT

Coverage includes gears, shafts, bearings, and the gearbox housing against manufacturing defects or mechanical failure under standard operating conditions.

*Note: This warranty does not extend to the engine, hydraulic systems, exterior attachments, or general wear-and-tear items (belts, seals, or fluids).*

- ✓ 2-Year Direct Component Replacement
- ✓ Precision Engineering Guarantee
- ✓ Authorized Technician Verification
